- 2 THAT the Bank may close any Account on giving written notice of such closure to the Partnership.
- 3 THAT the Bank be and is hereby requested and authorised to:
 - give effect to any instruction relating to any lodgement to or withdrawal or transfer from any Account;
 - honour and negotiate all cheques and other negotiable instruments drawn, made, endorsed or accepted by or on behalf of the Partnership;

 - issue any letter of credit, guarantee or indemnity requested on behalf of the Partnership; and
 - generally to act on all instructions and requests relating to the accounts, affairs and transactions of the Partnership from time to time,

provided such instruction, request or other action is believed by the Bank in good faith to have been made, given or effected by the Authorised Signatories on behalf of the Partnership in accordance with the signing instructions in Parts 1 and 3 of this Mandate and notwithstanding that such action may lead to borrowing or cause any of the accounts to be overdrawn or any overdraft to be increased.

- 4 THAT the Partnership hereby agrees that the Bank's Treasury Terms and Conditions as in force from time to time (the "Treasury Conditions") apply to all Treasury Transactions. The Partnership acknowledges that the Treasury Conditions may be viewed on the Bank's website (www.angloirishbank.com) or copies may be obtained from any of the Bank's branches during normal working hours.
- 5 THAT the Bank be and is hereby requested and authorised at its sole discretion to provide any or all services, and to enter into and/or effect any and all transactions, via such methods of communication, including electronic means as the Bank shall select at the Bank's sole discretion on such terms and subject to such conditions as the Bank shall specify from time to time.
- 6 THAT the Partnership acknowledges and agrees that all services provided and transactions entered into and/or effected by electronic means (whether through the internet and/or such other communication network and/or medium as may be used by the Bank from time to time at its sole discretion) are subject to the terms and conditions for electronic banking contained in the Treasury Conditions.
- 7 THAT the Partnership acknowledges that nothing in the arrangements between the Bank and the Partnership shall be treated as constituting an implied agreement restricting or negating any lien, charge, pledge, right of set-off or other right the Bank may have existing or implied by law or otherwise.
- 8 THAT the Partnership agrees that it will examine all statements supplied by the Bank setting out transactions on any Account and agree that, unless it objects in writing to any of the matters contained in such statement within 7 days of the date of such statement, the Partnership shall be deemed conclusively to have accepted all the matters contained in such statement as true and accurate in all respects.
- 9 THAT the Bank be informed by notice in writing, signed by at least one Partner, as soon as may be, of any change taking place from time to time in the Partners or Authorised Signatories of the Partnership.
- 10 THAT the Bank be assisted in the discharge of its anti-money laundering responsibilities by the Partnership providing such information and evidence as the Bank may request from time to time in this regard.
- 11 THAT the Bank shall have no responsibility for and shall be indemnified by the Partnership in full on demand against any loss, damage or other liability suffered or incurred by the Bank or the Partnership, as the case may be, in connection with any instruction or request believed by the Bank in good faith to have been given in accordance with this Mandate.
- 12 This Mandate, having been notified to the Bank, shall supersede any prior Mandate and remain in force unless and until revoked, varied or supplemented by new instructions given by all of the members of the Partnership notwithstanding any change in the constitution or name of the Partnership and shall apply notwithstanding any change in the membership of the Partnership by reason of death, bankruptcy, retirement, disability or otherwise of any member or the admission of any new member or members.

- 13 This Mandate shall be governed by Irish law.
- 14 Each member of the Partnership shall be jointly and severally liable for any obligation that may be incurred to the Bank on behalf of or in the name of the Partnership.
- 15 Upon any person ceasing to be a member of the Partnership by death or otherwise the Bank may, in the absence of written notice to the contrary from all remaining members of the Partnership or from the executors, personal representatives or trustees of the outgoing member, treat the surviving or continuing members or member for the time being of the Partnership as having full power to carry on the business of the Partnership and to deal with its assets as freely as if there had been no change in the Partnership.
- 16 In this Mandate the expression "Treasury Transaction" means and includes:
 - any deposit transaction;
 - any foreign exchange contract between the Bank and the Partnership including any currency swap, currency option, forward foreign exchange contract and any other contract as is similar to or derived from any of the foregoing;
 - any interest rate contract between the Partnership and the Bank including any interest rate swap, interest rate option, forward rate agreement, cap, collar, floor and any other contract as is similar to or derived from any of the foregoing;
 - any purchase and sale of or other dealing in commercial or government paper, bonds, certificates of deposit and other securities on behalf of the Partnership; and
 - such other transactions effected on behalf of, or entered into with, the Partnership as may from time to time be covered by the Treasury Conditions.
